

Great News! Health and Dental Plan Improved Coverage

We have some great news on the OPCEA Health and Dental Plan that is administered by JVK Life & Wealth Insurance Group.

Manulife Financial, the underwriter on your Association plan has made some excellent enhancements on dental coverage as well as registered specialists/ therapists coverage to different levels of the plan.

Here's what fellow members have been saying:

“As a small, but growing business we had been considering Implementing an employee benefits plan. We wanted a good plan that we can grow with and help keep us competitive when hiring new staff. We were recommended through our association the JVK Group – John and his team. Once decided – it was implemented with ease and clarity to all staff. It has been an excellent experience.”
